She wished to have a home and  
a family. She was white she  
was the only white owl in

it's white wow!

and she said: your so cute and

you have your parents? and the  
owl shook his head.

Oh! you don't have parents.  
don't worry we will find them.

really found her parents they  
found them in a nice nest.
